Section 2 – Technical Information

Form: SOF04	Rev4
Revised by: ESUK/JY	Date of rev: 03/2018

Please provide the information requested in the subject areas outlined below. In order to help you provide us with relevant information we have included guidance for each section as deemed necessary.

2.1 Competent Health & Safety advice

Please provide details of how your organisation and your employees have ready access to competent H&S advice, preferably within your organisation. Provide the name and competency details of the source of advice including a CV and evidence of competence e.g copies of certificates/professional membership.

2.2 H&S Policy and Management Arrangements

Please provide a copy of your latest Health and Safety Policy and associated management procedures relating to design, training, co-operation with the Principal Designer and other designers, appointment of sub-contracted designers (if applicable) etc.

Although you are not legally required to have your health and safety policy and arrangements in writing it is good practice to do so as you must still be able to demonstrate your commitment to health and safety and management of it to a potential client. Please provide a copy if you have one including a signed statement of intent, a responsibilities section and an arrangements section.

If you do not have a written H&S policy please confirm how you communicate company policies and procedures to staff.
